Directors Message

Yes, this is the 2nd newsletter for 2005. I hope to do another a race or two before the finals. If you have anything that you would like to have posted in the newsletter please let me know.

The main reason for the second newsletter is to inform all racers of a change of dates concerning our 2005 race schedule. The Lubbock Race coming up in May has been moved back one week. It appears that Texas Tech University will be hosting its graduation the weekend of May 14-15. All rooms in the City of Lubbock are already booked. We have moved the race date to May 21-22, 2005. This will help us all secure accommodations for that weekend. Included in this newsletter is a new entry form for the event. Please note that there has also been a change of Contest Director for this event as well as Lubbock Race #2, Scott Grissman will be the new CD. His contact information can be found on the new entry form.

I would also like to encourage everyone to go ahead and make your reservations today for the October 1-2 race in Andrews. The Hillcrest Hotel is a new establishment in Andrews and you can contact them at (432) 523-4300. Rooms should go quick that weekend as the City of Andrews is hosting the Fall Fiesta. Our races will be a part of the whole event. Please make sure you secure your room today.

I would like to thank everyone for making the start of 2005 smooth. The first race in Carlsbad netted something like 72 boats. I know the recent race in Andrews was missing a few faces, but the upcoming race in Lubbock looks to have a promising turnout. Please get those entries in soon!

I have a few district plaques and If you are in need of one please contact me prior to the Lubbock race and I will bring a plaque to you in Lubbock.

Hope to see every one in Lubbock. Go Fast! Turn Right!
